Sales Floor & Warehouse Extension, Morrisons, Belper Derbyshire

We are delighted to announce the recent award of a 4m (approx) contract to extend the Sales Floor and Warehouse areas to the Morrisons Store in Belper, Derbyshire.

The contract will see the store increase its floor area by some 572m² with improvements to customer facilities including toilets, Pharmacy, Dry Cleaners, ATM room and the Café Kitchen/seating area. The store will also benefit from installation of additional refrigeration/freezer rooms, refurbishment of the existing Butchers, Bakery and Fishmongers counter and preparation areas, upgrading of suspended ceilings and lighting plus a full internal/external redecoration.

The contract is currently underway and on target for completion on 27th October 2010 following a strict programme of day and night shift working.

16th August 2010
