

COMPANY INTRODUCTION

Providing a diverse
range of services across
the construction industry

Tried, tested and trusted for more than 50 years

Princebuild Limited is an award-winning, family-run company, proudly recognised as one of the top 20 largest privately owned companies in Cambridgeshire.

Since 1971, we have been committed to caring for, maintaining, and building properties while delivering exceptional services for our clients.

As a diverse and comprehensive contractor, we offer a wide range of services, making us the contractor of choice for clients seeking a one-stop shop for all their property needs.

Our expertise is organised into six key divisions: Construction Services, Small Works, Insurance, Maintenance, Building Services, and Commercial Interiors.

At Princebuild, we live and work by our Core Values - The Princebuild Family Way - which embodies Building, Sharing, Caring. These principles are at the heart of everything we do, shaping our culture and driving our commitment to excellence.

Founded in Peterborough, where our head office still resides today, we've grown to cover the entire East of England. For larger projects, our reach extends nationally, allowing us to deliver excellence across the UK. In addition to our Peterborough office, we operate from locations in:

- Cambridge
- Coventry
- London
- Northampton
- Spalding

Today, we employ over 160 dedicated professionals who uphold our values and ensure the exceptional standards our customers have come to expect.

With our award-winning services and unwavering dedication, we continue to provide innovative solutions, making a lasting impact in the construction industry and the communities we serve.

Define. Design. Deliver.

A professional project, every time!

Our Specialist Divisions

As part of our comprehensive range of services, we also operate a building services division and a commercial interior fit out division. As well as working with Princebuild on many projects, these divisions also undertake their own work across many sectors.

Professionally Delivered Solutions

The Sectors We Work In

Through our network of strategically located offices and six key divisions, we offer a full range of 'in-house' services for works to domestic, commercial, retail and industrial properties.

Our specialised teams have been trained and our business infrastructure developed to cater for the smallest of domestic repairs through to the construction of large commercial and retail premises. We pride ourselves on delivering a first-class service, with our clients returning to use our services time and time again.

It is the philosophy of our company to maximise our business by growing with existing clients, gaining new clients in our existing operational areas, and most importantly, continuously improving the delivery of our service and the overall satisfaction of our clients.

We deliver our services across a range of sectors including:

- Retail
- Health Care
- Government (Custodial and Defence)
- Education
- Local Authority
- Leisure
- Automotive
- Insurance
- Charities
- Utilities
- Commercial
- Facilities Management
- Housing Associations

Construction Services

We offer a full range of construction services across a wide range of sectors and particularly specialise in retail and commercial construction and refurbishment projects to a value of £15m.

Whether it be designing and constructing a new state of the art supermarket or repurposing retail outlets and carrying out dilapidation repairs, we have the ability and resources to deliver.

Our specialist teams possess a wide range of knowledge and expertise that has been gained over many years of delivering complex projects both on time and to budget.

Small Works

Our Small Works Teams typically deliver projects up to £100k in value and cater for all types of works across a wide range of sectors.

Our teams particularly specialise in domestic, commercial and retail projects, including the provision of specialist disabled facilities and adaptation works.

Insurance

Providing Insurance claim repairs has always been a core service provided by our business. Our dedicated insurance teams have an in-depth knowledge of both the domestic and commercial insurance markets, making us the contractor of choice for many insurance companies, loss adjusters and policyholders.

We offer a complete insurance reinstatement solution including emergency attendance to prevent further loss, drying, clearance, claim validation, scoping and full reinstatement.

Maintenance

Building maintenance has been at the heart of our business since our inception and remains a cornerstone of what we do today. We proudly provide maintenance services to a wide range of clients, including housing associations, local authorities, charities, and commercial and retail organisations.

Additionally, our maintenance services enhance our broader operations by delivering outstanding aftercare support for larger projects, particularly during the defects period, ensuring our clients receive the quality and reliability they expect.

Building Services

Our specialist Building Services Division, Princeenergy, provides mechanical and electrical services to our clients across our network of branches, including inspections, servicing, design, installation and commissioning.

Operated by a professionally qualified team with industry specific accreditations; our in-house division compliments our main construction services perfectly, providing us with a significant edge over our competitors, who invariably sub-contract this complex element of work.

Commercial Interiors

At Princeinteriors, our dedicated Commercial Interiors Team provides a comprehensive, in-house interior fit-out service tailored to your needs. Whether it's flooring solutions, wall cladding, or complete CAT B interior design and fit-out services, including furnishings, we've got you covered.

With a fully qualified team committed to excellence, Princeinteriors is your trusted partner for delivering innovative and high-quality commercial fit-out solutions.

Our People

INVESTORS IN PEOPLE®
We invest in people Standard

Our people are fundamental to the success of our business. We invest in and develop them to provide our customers with a service that is second to none.

As a family-owned business, our people are at the heart of what we do and we are committed to supporting, training and developing them to help them achieve their best.

This in turn ensures our customers receive the very best service from right across our business.

We provide all of our employees with the opportunity to progress their career with us, as a result we have a loyal and long-serving work force who are highly trained and experienced in the area of the business in which they work.

All of our staff and trade operatives are trained in customer care for working within occupied properties, live environments and areas frequented by the general public.

They are provided with equality and diversity training as well as being fully DBS checked as standard.

This means our customers can rest assured that they are dealing with a trusted and professional team who will deliver a successful project.

All of our trade operatives are provided with the right tools, including a highly specified vehicle, vehicle stock, corporate clothing, personal protective equipment and the latest communication technology to ensure that each job progresses smoothly and efficiently.

In recognition of the investment we make in our staff, we have held the Investors in People accreditation since 2005 and have also received certification from the National Apprenticeship Service.

Our Commitment to Safety, Health, Environment, and Quality (SHEQ)

At Princebuild, our unwavering commitment to SHEQ is the foundation of everything we do. Through rigorous policies, comprehensive training, and a culture of continuous improvement, we ensure the highest standards across every aspect of our operations.

Safety

Safety is our priority, supported by a dedicated Health & Safety Department providing top-tier training. With 90%+ of our workforce CSCS-certified, we ensure a skilled, safety-conscious team. Comprehensive site inductions reinforce safety protocols, and our commitment is reflected in accreditations like ISO 45001:2018, CHAS, and SafeContractor Approved.

Health

We understand that a healthy workforce is a productive workforce. Our trained Mental Health First Aiders provide support and guidance, helping our employees navigate challenges like stress and anxiety in a safe and supportive environment.

Environmental

We are committed to sustainability, holding ISO 14001:2015 certification for high environmental standards. We reduce carbon emissions through energy-efficient technologies and a hybrid/electric fleet, we generate renewable energy with solar PV systems, and minimise landfill waste through recycling. Ethical sourcing remains a priority, supporting conservation and social responsibility.

Quality

We ensure high standards through ISO 9001:2015-certified quality management, delivering superior results. Continuous improvement via audits and employee engagement initiatives, like the Green Card and Suggestion Scheme, drives innovation and enhances safety, health, and environmental performance.

A Collaborative Approach

Our SHEQ Committee, including trade operatives, meets regularly to discuss safety, fleet management, well-being, and sustainability. This collaborative approach ensures every voice is heard, driving excellence beyond industry standards.

Our Company Your Community

At Princebuild, we care deeply about the communities we work with and strive to make a positive impact—economically, environmentally, and socially.

The Princebuild Foundation reflects our dedication to giving back, focusing on initiatives that support local charities and communities.

Our core values of building, sharing, and caring drive us to make meaningful contributions to the areas we serve.

Each year, we proudly support local causes by organising fundraising events, providing sponsorships, or offering our services for free, to help make a difference where it's needed most.
